

Environmental Health Sciences MPH Degree Steps to Completion

1. Register for classes each semester and meet with your academic advisor at least once a semester.
2. Minimum Degree credits: 42
3. Plan for your **Applied Practice (AP) early** on starting your first semester ([see guidelines](#))
4. Plan for your final paper the “Integrative Learning Experience” (ILE) early at least by the beginning of your second year
5. Utilize resources outside the classroom for professional development
6. Submit a **Study Plan/GPAS** one semester before your planned graduation semester (attached)
7. Apply for graduation at least two months ahead of month you plan to graduate – confer date will always be at the end of the next month
8. Form a committee for your final exam
9. Submit your draft of the ILE at least three weeks ahead of presentation day (work this out with your committee)
10. Request from your committee times for your presentation at least one week ahead.
11. Register for commencement (if eligible)
12. Make sure all grades have been submitted in order to have your degree cleared and conferred
13. Congratulations – you have made it!!!!
